## Repair Fee Adjustment

Dear valued Customer,

Please be informed that as from February 15<sup>th</sup> Hamburg Süd and Aliança will adjust the Repair Fee to R\$ 110.

The fee covers repair costs of import containers up to a limit of BRL 1000 and optimizes the delivery of empty containers at the depots.

Please note, however, that the fee does not cover cleaning of the containers, missing or stolen parts from reefer equipment or missing tarpaulins in open tops, as well as containers that are stolen or not returned by any reason. Containers must therefore be returned in clean condition and without debris.

Should you need additional information please contact your local **Hamburg Süd** office.
