Local Surcharges Update – Paraguay Export & Import

Dear valued customer,

We are pleased to inform that the local surcharges structure in Paraguay has been modified for simplicity and easy comprehension.

Also, the THC value has been updated.

Below we present the new cost structure with effect as of February 1, 2021 (based on Bill of Lading date), and that is valid for all Deep Sea services (including Mercosur).

		Surcharges valid as from Feb 01, 2021
