Imp Points:

- Late SI fees is applicable if S/Is are delayed (Receive after the set cut offs).
- No correction fees will be applied for first correction request that receives within correction cut off. Second requests onwards charge will be applied.
- First correction request after correction cut offs will be handled on charges basis.
- B/L Release timeline: 7 calendar days including vessel sailing day. USD 100/per week will be applied for non-release of B/L within set timeline.
- Acceptance of late SI will be subject to vessel cut-off situation, berthing's and operational constrains.
- Correction fees after vessel closure will be subject to status of the shipment at destination.
